Bailey Southwell & Co. Expands Team with New Hire

NASHVILLE, Tennessee (April 2017) -- Bailey Southwell & Co., LLC (BSC) is pleased to announce the hiring of Steven Harris as Senior Vice President. Mr. Harris will focus on technology-enabled services companies in the healthcare industry.

“We are excited to have Steven join our team and continue building upon the firm’s positive momentum. With previous execution experience and background in both investment banking and private equity, Steven offers our clients a unique investment perspective that complements our capital advisory services,” said Jeff Bailey, Co-founder and Partner. “We look forward to having Steven broaden our footprint and expand our healthcare technology sector focus, particularly with later stage, growth equity opportunities.”

Mr. Harris brings over 10 years of investment banking and private equity investing experience, having represented companies in connection with mergers and acquisitions and capital raises. Before joining BSC, Mr. Harris worked with Frontier Capital, a private investment fund focused on software and tech-enabled services, and previously as a Vice President with Brookwood Associates, a middle-market M&A boutique. He holds an MBA from the University of Texas-Austin and a BS from the University of North Carolina at Chapel Hill.
